

REMARKS

Claims 1-38 are the only claims pending. Original claims 2, 4-5, 7-8, 10-11, 13-14, 16-17, 19, and 20-36 are currently amended to eliminate multiple ranges, use of terminology, to eliminate multiple dependencies, and to otherwise be more clear. Claim 37 is cancelled.

Claims 19-20 are further amended to correct a typographical error; the term "1,4-doxane" is changed to "1,4-dioxane". Support for this change is contained in claim 18. Claims 21, 25, and 27 are further amended to correct a typographical error; the conjunction "or" is added to the solvent listing for clarity.

No new matter has been added.

Claims 1-36 and 38 are presented for consideration.

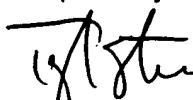

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.
